

Pillar

Decorative cylindrical fixture with homogenous 360° light output

Product Code: PLR-SUS

A bold decorative fixture for commercial applications, Pillar is a cylindrical fixture that outputs brilliantly homogenous light in a complete 360° range. Only released once we were 100% satisfied with Pillar’s light effect, the fixture’s innovation comes from its optical design. It required countless tests of various diffuser materials and component placement configurations to achieve the exceptional light effect that the fixture delivers - no dotting, no shadowing, just perfect glowing 360° illumination. Choose from fixed white or RGBW outputs, surface mount or suspended formats in standard 500mm or 1000mm lengths, or request a custom length to suit your design concept.

Pillar is proudly designed and manufactured by Digilin in Australia and supported by our 5 year warranty.

Version	500mm		1000mm	
LED Colour	Fixed White	RGBW	Fixed White	RGBW
CCT/Wavelength	2700K, 3000K, 4000K	625nm (Red) 530nm (Green) 470nm (Blue) 3000K (White)	2700K, 3000K, 4000K	625nm (Red) 530nm (Green) 470nm (Blue) 3000K (White)
Delivered Lumens (approx.)	1250lm	Varies with APR	2500lm	Varies with APR
Luminaire Power	12W	Varies with APR	24W	Varies with APR
Input Current	500mA	Varies with APR	1000mA	Varies with APR
CRI	90	80	90	80
Input Voltage	24VDC			
Weight	700g		1175g	
Dimensions	100mm (diameter) x 545mm (length)		100mm (diameter), 980mm (white length), 950mm (RGBW length)	
Mounting	Suspended			
Driver Placement	Remote			
Control	Requires separate drivers/PSUs. RGBW version is only compatible with Digilin CV DMX Driver with APR (LDD-CV-04-DMX-120-24-PWM-IP20-PLR)			
Finish Colour - Canopy/Cable	White, Black, Custom			
IP Rating	IP20			
Build Material	Extruded Aluminium, Polycarbonate
