

Shaper

Efficient beam shaping optics for wall washing and other light effects

Product Code: SHP-SFC-GLS-S4097-1600-OVM-BLK

Utilising a variety of high quality linear optics, Shaper achieves outstanding wall washing and other beam shaping light effects, delivering uniform illumination with precision and efficiency. Whether you're aiming to enhance architectural features or create dynamic lighting scenes, this linear lighting solution offers unparalleled versatility and optical control.

All Digilin linear systems are manufactured in Australia to custom project lengths and supplied with factory-fitted connectors using Digilin's chemical anchoring process for super durability and ease of installation. The system can undergo Digilin's shield exterior coating service to upgrade its protection to an IP65 rating for outdoor applications.
